

Phone Flashlight

Matthew 5:14-16 (KJV): Ye are the light of the world. A city that is set on an hill cannot be hid. Neither do men light a candle and put it under a bushel, but on a candlestick, and it giveth light unto all that are in the house. Let your light so shine before men, that they may see your good works, and glorify your Father which is in heaven."

When you activate the flashlight on your phone, it illuminates for all to see. However, the flashlight will go out if you turn your camera on and switch to selfie mode.

In Matthew, Jesus tells us that we are the world's light and must let our light shine before men. However, if we focus only on ourselves, the light we shine for others cannot be seen. It is like a man who lights a candle and puts it under a bushel.

When we come to church, we love to show our faith and shine brightly as Christians. We give heartfelt praises, sing hymns, shout amen, and dance the aisles. Our light is shining for all to see, but we go into selfie mode when we leave the church. Instead of shining our light on the world, we focus on ourselves.

It is important to understand that everything we do inside the church is pointless if we don't live a Christian life outside it. Let me repeat: everything we do inside the church is pointless if we don't live a Christian life outside the church and let our Christian values shine for all to witness.
